Icon Guide

These helpful product icons provide key information on our products.

Guarantees

All of our products come with a guarantee, which represents our commitment to both quality and service. Our mobile dining tables have a 16 year warranty (on table mechanism and welds), whilst our writing boards benefit from a surface guarantee of up to 25 years.

Accreditations

Spaceright Europe Ltd is an accredited ISO 9001 (Quality Management) and ISO 14500 (Environmental Management) company. We are also members of various industry bodies including the British Education Supplies Association (BESA).

Delivery

Product lead times are indicated throughout the catalogue. Delivery is free on orders over £99.00 (exl. VAT). For orders under £99.00 (exl. VAT) a £10.00 (exl. VAT) delivery charge will apply up to 20kg (additional charge for more than 20kgs). All mobile dining furniture is delivered by our own transport (ground floor only). Additional charges apply outwith UK Mainland.

Assembly

Our range includes fully assembled and self-assembly products, which are identified throughout the catalogue. Where a product is self-assembly, all the instructions, screws and other fixings are in the box. In most cases, we even supply the tools to do the job.

Free Site Survey & Space Planning

We offer a completely **free** and comprehensive site survey and space planning service for our dining furniture range. Whether you have a detailed vision of what you want, or need inspiration, we can provide a solution that is right for you. Please see page 11 for further details.

Dining Table Services

Spaceright Europe Ltd are experts in the manufacture and supply of innovative dining solutions, and we understand the importance of robust design, high-quality product and excellent service.

Buying dining furniture is an investment, so it's essential that you achieve a solution that meets your needs.

Scan the QR code to check out our online buying guide.

Free Site Survey

To help with the buying process, we would be delighted to arrange a free site survey. A member of our experienced team will visit you to discuss your requirements and take the necessary measurements. This information will then be shared with our product design team who will provide bespoke space plans.

Space Plan

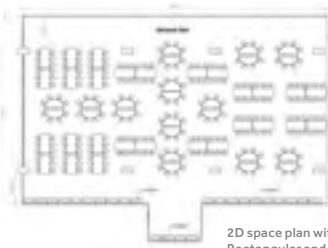

Free Space Planning

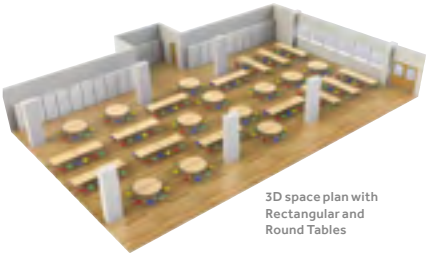

One of the most important services we provide to our customers is delivering detailed, aesthetic designs of cafeteria/dining room layouts. Our product design team are experts in creating bespoke dining solutions and space plans to give a detailed idea of how the environment will look and feel.

End Result

Fire Retardant Noticeboards

SPACERIGHT
europe ltd

FlameShield

To comply with building regulations, it is a legal requirement that noticeboards used in high-risk areas, such as corridors, must be fire retardant. Spaceright Europe is the UK's creator and leading manufacturer of Fire Retardant Noticeboards.

The FlameShield noticeboard core and bonded textile are fire retardant as a composite, meeting Class 0 when assessed to BS 476 Parts 6 and 7 and comply with Class B-s1, d0 when tested to BS-EN13501-1: 2002.
