SPACERIGHT europe ltd

Dining Furniture Solutions

2025

Introduction

With vast experience delivering high-value contracts and servicing the education sector, Spaceright Europe Ltd are experts in the manufacture and supply of innovative dining solutions. Our high-quality range of dining furniture and comprehensive services will ensure you achieve a solution that meets your needs.

Innovation

As the leading manufacturer in our field, we are dedicated to investing in new product development and technological efficiencies that enable us to successfully deliver cutting edge solutions for our customers.

Quality

We are committed to using the highest quality materials, and the most skilled craftsmen, to ensure we supply products that are manufactured to an exceptional standard - making them durable, safe and reliable, whilst also representing excellent value.

Service

Customer service is pivotal to our success. We strive to provide the very best expert advice, helpful product information and after-sales support, as well as competitive pricing, quick lead times and a market-leading delivery service.

Design

Our history goes back over 100 years, meaning that our product knowledge and market insight is unparalleled, so when it comes to designing products and space planning, we are experts in our field.

Free Site Survey & Space Planning

We offer a completely free and comprehensive site survey and space planning service for our dining furniture range. Whether you have a detailed vision of what you want, or need some inspiration, we can provide a solution that meets your needs. For further information, please see page 26.

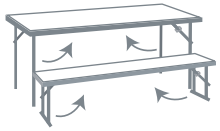
Fixed Leg Tables & Benches 4-5

Our Cube Table and Bench range is stylish and modern in design – the ideal solution for secondary, higher and further education establishments. Benches can be stored neatly underneath the table for space efficient storage.

Folding Tables & Benches 6-9

Designed for simplicity of use, the Fast Fold tables and benches are lightweight but sturdy. The quick-folding mechanism makes them easy to erect and store. Available in varying widths and heights to accommodate children of all ages.

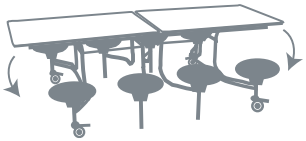


Mobile Folding Benches 10-13

Versatile in design, our Mobile Folding Benches are available in two styles: Convertible (3 in 1) Bench or Mobile Folding Bench. Each bench unit is mobile with heavy-duty castors and an easy-fold mechanism for storage. Both units are designed to be easily accessible for children.

Mobile Folding Tables 14-21

The ultimate dining solution for schools, colleges and universities. These tables are easy to fold, store and clean, providing a practical and efficient dining solution. Our Mobile Folding Tables are available in 8, 12 and 16 seat options, with two heights to choose from (16 seat primary height only).



Primo Dining Furniture 22-25

A modern concept in educational dining, the Primo Mobile Folding Tables have been designed for use in secondary, higher and further education establishments. Each table has the same features as our standard mobile folding tables with the added benefit of a contemporary aesthetic.

A fresh, modern solution for canteens and dining halls.

Our Services

SPACERIGHT europe ltd

Spaceright Europe Ltd are experts in the manufacture and supply of innovative dining solutions, and we understand the importance of robust design, high-quality product and excellent service. Buying dining furniture is an investment, so it's essential that you achieve a solution that meets your needs. To help, we offer these services...

FREE SITE SURVEY

Free Site Survey

To help with the buying process, we would be delighted to arrange a free site survey. A member of our experienced team will visit you to discuss your requirements and take the necessary measurements. This information will then be shared with our product design team who will provide bespoke space plans.

FREE SPACE PLAN

Free Space Planning

One of the most important services we provide to our customers is delivering detailed, aesthetic designs of cafeteria/dining room layouts. Our product design team are experts in creating bespoke dining solutions and space plans. These designs are produced using 3D CAD (computer aided design) to give a detailed idea of how the environment will look and feel.

Our Services

Free Gold Service Delivery

All orders for dining furniture (except Fast Fold) are delivered by Free Gold Service Delivery. Our team will deliver your tables on a day that is convenient for you using sustainable packaging. We will unpack and commission the tables, then our expert team will provide training, including hints and tips for caring for your tables.

Transported using sustainable packaging → **Delivery on a day that is convenient for you** → **Tables commissioned on site** → **Expert training on caring for your tables**

Caring for your Tables

Required Maintenance

- Regularly inspect table operation for smoothness and general stability
- Clean tabletops according to current food service hygiene practices after each use
- Exterior components of tables should be inspected for food deposits and cleaned as required
- The underside of the tables should be inspected for chewing gum and other food deposits
- Every 6 months you should lubricate tables with a food grade silicon spray, which is required to pivot joints, or more often if indicated by stiff operation or noise
- Ensure tables are used in accordance with supplied operating instructions

Caution: Excessive use of water during cleaning may cause corrosion

Spaceright Europe Ltd offer an annual service and maintenance plan to help care for your tables. For further information and advice, please call 0845 6017619.
